<p>Getting to Yes with ET: Citizen Diplomacy with Extraterrestrial Civilizations By Dr Michael Salla (90 min - \$20) ET visitors have had secret meetings with national governments to discuss nuclear weapons and other destructive technologies. The Eisenhower administration took a tough negotiating position, and spurned ET visitors not willing to trade advanced technology & info. "Citizen diplomacy" initiatives can expose secret ET agreements, and ensure a genuine age of peace and cooperation with ET visitors.</p>	<p>Citizen Diplomacy in a Changing World Ambassador John McDonald (60 min - \$20) Why is there so much ethnic conflict in the world and governments seem incapable of responding effectively to this changing world? There is a vacuum out there, that vacuum is being at least partially filled by citizen diplomats and non-governmental organizations involved in conflict resolution. What are these NGO's doing and how are they doing it. Are these skills applicable to the Universe?</p>
<p>The Extraterrestrial Contact Act By Darryl Anka/Bashar (90 min - \$20) Discussion of an Extraterrestrial Contact Act and the importance of establishing a global contact protocol in order to improve the chances for open contact with extraterrestrials. Daryl addresses the more "down-to-Earth" aspects of the Act, while 'Bashar' will provide an extraterrestrial point of view on the Act and associated issues.</p>	<p>UFOS and Missile Shutdowns – Malmstrom AFB – 1967 By Capt Robert Salas, USAF ret. (60 min - \$20) A unique event occurred in Montana in 1967. UFOs were reported being observed at multiple missile sites at the same time Minuteman ICBMs were disabled. Mr. Salas presents his evidence of this incident and explore the conjecture that those in control of these objects have a particular concern about nuclear weapons.</p>
<p>UFO Whistleblowers - Expert witness testimony & its Relevance for World Peace By Paola Harris, M.Ed (60 min - \$20) In <i>Connecting the Dots</i>, Paola Harris presents twenty six disclosure interviews from "top level" people who discuss their personal involvement in the UFO Phenomena. These people are mostly military, intelligence and ex- NASA personnel.</p>	<p>Awakening to our Multidimensional Reality, Extraterrestrial and Interdimensional Contact and how ET reality relates to World Peace By Mary Rodwell, R.N. (60 min - \$20) By awakening to our multidimensional reality through Contact with non-human extraterrestrial and interdimensional beings humanity can begin a new era of peace and prosperity.</p>
<p>The Peaceful Intent and Activities of Star Visitors – 60+ Years of Contact Case Investigations By Lt Col Wendelle Stevens (USAF ret.) (60 min - \$20) Presentation of a selection from 100+ UFO contact cases showing the peaceful intentions and activities of our Alien visitors to this planet. Some of them are even trying to clear up some of our worst and most dangerous polluting of our own home world.</p>	<p>Declaration of Cosmic Cooperation By Thomas Hansen, PhD (60 min - \$20) The Declaration of Cosmic Cooperation expresses the human desire to become peaceful, cooperative cosmic citizens. What would happen if humanity accepted "cosmic cooperation" as a primary life goal? What benefits would we receive? What responsibilities would we have? How do we go about actually becoming cooperative and peaceful citizens of the cosmos?</p>
<p>Star Wars or Star Dreams By Hon Paul Hellyer (90 min - \$20) Mr Hellyer's presentation is divided into two main themes. First, who is actually running the United States and other major Western countries? Second, what are the consequences of the long-time cover-up of extraterrestrial intelligence and advanced technology? Only an early and complete disclosure of the truth can save us from our folly</p>	<p>Sapiens Rising: It Must be a Stellar Performance By Neil Freer (90 min - \$20) Three major elements in our collective consciousness have coalesced into a Grand Moment of transmutation to species unity and peace, the essential conditions for matriculation into stellar society. Join Neil for an intensive 90 minutes to move beyond our Babel factor conflicts to species' unity, peace and stellar society.</p>
<p>Col Corso, World Peace and Dawn of a New Age By Philip Corso, Jr. (90 min - \$20) Discusses the revelations of Lt Col. Philip Corso on extraterrestrial life, and how these relate to promoting technological development and world peace. Special focus placed on Corso's unpublished manuscript: Dawn of a New Age.</p>	<p>ETs and the Days to Come By James Gilliland (60 min - \$20) Is there a long history of ET contact, Are they helping us now to get through major earth changes? Come hear about the benevolent spiritually & technologically advanced civilizations known as the greater family of man and what they have been doing on our behalf.</p>
<p>Dolphins, ETS and World Peace By Joan Ocean, MSc (60 min - \$20) Joan Ocean will describe her comprehensive cetacean research of 25 years, based on thousands of hours swimming with oceanic dolphins and whales. Dolphins and whales offer interdimensional wisdom, telepathy and interspecies shape-shifting to our inquisitive minds. They are reminding us of our potentials to expand now, into the next age of physical, spiritual and mental accomplishments.</p>	<p>A Decade of Contact By Alfred L. Webre, J.D. (60 min - \$20) Discussing of the pioneering concept of a "A DECADE OF CONTACT" that has four primary objectives: DISCLOSURE of the ET presence; Public funding of a 10 year process of formal public education on ET life; developing a permanent ban on all space-based weapons and warfare in space; and Diplomacy with advanced, ethical Off-Planet Cultures visiting Earth.</p>
<p>Options for a Planet in Peril Scott Jones, PhD (60 min - \$20) Worldwide, critical decision-making is a monopoly of the few. This frustrates discussion of the issues and energy is drawn simply to adjust to the consequences of decisions made by the few that favor the few. One example is the boycott of information of past and current interaction of extraterrestrial civilizations with Earth.</p>	<p>Hawaii Declaration on Peaceful Relations with Extraterrestrial Civilizations Conference Panel (90 min - \$20) Watch the historic process in which for the first time, speakers and participants at a major international conference, adopted by consensus a body of principles for promoting peaceful relations with extraterrestrial life.</p>
