| <p>The Hollow Earth & 2008 North Pole Expedition by Dr. Brooks Agnew (90 min - \$20) Dr. Agnew describes the principles behind the science of planetary formation which point to the Earth as having a hollowed toroidal shape. Due to the melting of the Polar icecap, he explains how it is now possible to go by boat all the way to the North Pole to find what he believes will be an entrance passage that can be scientifically confirmed.</p> | <p>'Anastasia Series' & Reconnecting to Nature through Spiritual Permaculture by Leonid Sharashkin – Russia (90 min - \$20) Leonid Sharashkin is editor of <i>Anastasia: The Ringing Cedars</i> book series which has single handedly inspired a nationwide eco-movement in Russia. He discusses the impact of ancient wisdom of how to influence plants from seed to bio-chemically produce exactly what an individual needs for perfect health or healing.</p> |
| <p>The Exopolitical Revolution: Disclosure as a Cosmic Birthing by Steven Bassett (70 min - \$20) A powerful presentation demonstrating why he is considered a seminal figure in the emergence of the exopolitical movement. Mr. Bassett demonstrates how we have progressed well beyond the question of whether UFOs are real, and must now consider the political implications of extraterrestrial life.</p> | <p>The Dead Sea Scrolls Revealed by Dr. Frank Stranges (90 MIN - \$20) Dr. Stranges elaborates upon the mission of neighboring human extraterrestrials within our own solar system who wish to assist Earth people toward a more peaceful future. He also discusses the subject of the Dead Sea Scrolls, and evidence concerning the suppression of these valuable documents.</p> |
| <p>The Path to Breakthrough Energy Technologies: A Grassroots Movement and New U.S. Legislation by Joel Garbon (60 min - \$20) A heartfelt presentation on the emergence of alternative energy technologies and their promise to revolutionize life on our planet. He shares a deeply moving account of how many inventors are suppressed by vested interests, and how promising new energy technologies are routinely ignored at an official level.</p> | <p>Future Energy Technologies & UFO Propulsion Systems by Dr. Tom Valone (90 min - \$20) Physicist, engineer and author, Dr. Valone, describes a variety of promising new energy technologies that can revolutionize the energy sector, including magnetic motors as well as electromagnetic healing devices that can transform the medical industry. He then clearly outlines how the propulsion systems of UFOs would operate in order to cover the large distances of interstellar space.</p> |
| <p>The Unified Field & New Science Paradigms by Nassim Haramein (90 min - \$20) Physicist Nassim Haramein gives a dynamic presentation on how understanding the true nature of motion revolutionizes our understanding of gravity, electromagnetic energy and the origins of the universe. He eloquently reveals how his theory on the 'Origin of Spin' leads to a unified field theory long sought by Albert Einstein. A holistic theory that revolutionizes our understanding of physics.</p> | <p>Unveiling our Hidden History & Telepathic Future: The Spiritual Awakening of Humankind by Angelika Whitecliff (105 min - \$20) 3 part presentation: 1) Archeology Unplugged & the Origins of Humankind, 2) Consciousness & Evolution, 3) Ascension & Telepathy. Human evolution did not happen in a linear fashion as taught by outdated Darwinian Theory, it takes place as a dynamic process that is governed by consciousness which knows no bounds.</p> |
| <p>The Real Da Vinci CODE by Dr. Len Horowitz (90 min - \$20) Dr. Horowitz discusses his work of uncovering the 'real' Da Vinci Code – a "Perfect Circle of Sound" hidden within Da Vinci's famous drawing, The Vitruvian Man. He gives compelling evidence that this Code is found in the geometric configuration of the human body and DNA itself.</p> | <p>Leaked Gov't Documents & UFO Crash Retrievals by Dr. Robert Wood (60 min - \$20) Dr Wood discusses some of the most important documents & events substantiating the existence of extraterrestrial life, the recovery of crashed ET vehicles and a high level government cover up. With considerable knowledge and expertise, he provides an excellent historical overview and analysis of extraterrestrial visitation.</p> |
| <p>Atlantis - Extraterrestrials - Life on the Moon by Hector Palacios (90 min - \$20) In his first U.S. appearance, Mexican shaman and healer Hector Palacios discusses his 40+ years of experiences with various extraterrestrial groups. The spiritual message he has been given by these extraterrestrials emphasizes the importance of love as a unifying principle for life in all its diversity.</p> | <p>The Helianx Proposition & the Delvic World, Dolphins & Non-human Intelligences by Timothy Wyllie (75 min - \$20) Author Timothy Wyllie blends together poetry, an extraterrestrial supposition and a flowing artistic style in his latest art film project, The Helianx Proposition, which he premieres in this presentation. He then opens the floor to audience questions – light and humor filled.</p> |
| <p>OTC-X1: The World's First Teleportation Spacecraft by Ralph Ring (90 min - \$20) Ralph Ring describes the events leading up to his work with Otis Carr (Nikola Tesla's protogee) on the development of a civilian spacecraft prototype. Mr. Ring continued to research and develop ways to levitate vehicles and buildings which he is convinced is feasible if authorities permit such technology to enter into the public sector.</p> | <p>Speaker Panel + Earth Transformation Declaration Question & Answer Session (60 min - \$20) A conference panel comprising speakers addresses a variety of audience questions concerning extraterrestrial life, disclosure, new energy technologies and spirituality. Next the conference as a body adopts by consensus the final version of the Earth Transformation Declaration. A recommended sleeper surprise of rich content.</p> |
| <p>Extraterrestrials Living Among Us: An Ancient Phenomenon Reemerges by Dr. Michael Salla (90 min - \$20) Dr. Salla begins with a historic overview of ancient texts which describe extraterrestrials that have made Earth their home, suggesting that this is not a new phenomenon. Examined are a variety of contactees who described cases of extraterrestrials whom they interacted with in public places and in open view without notice.</p> | <p style="text-align: center;">Order Information: www.EarthTransformation.com Ph: +1-202-470 0140 Fax: 808-442-9546 (MC/Visa/Amex)</p> |
