21 Days with Braco

By Angelika Whitecliff (90 min - \$20)

Angelika Whitecliff presents her new book, *21 Days with Braco*, where she describes her profound life changing experiences with Braco - the European healing phenomenon - in June/July 2009. Angelika's presentation formally introduced Braco, whose gentle gaze has healed and transformed the lives of tens of thousands in Europe, for his first U.S. tour that began immediately after on the first morning of the conference.

2012: Its Meaning, Its Context & How to Prepare for it

By Carla Rueckert (90 min - \$20)

Carla Rueckert, trance channeler of the RA material, discusses the meaning and context of 2012, and how to prepare for the transformative life changes associated with it. In 1981, the RA material was the first to discuss transformative events associated with the 30 year period 2012, long before that was introduced into the public arena.

Mass Physical Contact in Italy: The Amicizia Case

By Prof Stefano Breccia (90 min - \$20)

Prof Breccia presents new photos and analyses concerning the mass physical extraterrestrial contact case in Italy known as Amicizia. Over 100 people witnessed human looking extraterrestrials that were based in underground bases from 1956 to 1978 in Italy. For the first time in public, he relates his own direct personal experiences with the extraterrestrials.

Top 10 Exotic Free Energy Technologies

By Sterling Allan (90 mins - \$20)

Sterling Allan, founder of the New Energy Congress and a number of new energy news sites, ranks the top 10 exotic Free Energy technologies. Allan presents his own conclusions over their feasibility and the challenges that lie ahead in making new energy technologies available for the commercial market.

Ancient Hawaiian Healing & Transformation Practices in the Modern Age

By Haleaka (90 mins - \$20)

Hawaiian Kahuna/priestess, **Haleaka**, discusses the ancient Hawaiian healing and transformative practice known as Ho'oponopono. Descended from a priestly lineage associated with King Kamehameha, Haleaka speaks with authority about Hawaiian traditions and how these can help bring about the earth transformation that lies ahead.

The Andromedans & Mentoring Humanity

By Alex Collier, (90 mins - \$20)

Alex Collier discusses his physical contact experiences with human looking extraterrestrials from the constellation of Andromeda. In this presentation, he reveals the mentoring program offered by the Andromedans to humanity. Alex reveals how their wisdom and experience can help humanity deal with different extraterrestrial groups, and integrate advanced technologies in positive ways for humanity's evolution.

How OOParts explain Humanity's Secret Origins

By Klaus Dona (120 mins - \$20)

Klaus Dona is the curator of the Hapsburg Haus museum in Vienna, Austria. He presents photographic evidence of hundreds of "Out Of Place Artifacts" (OOPARTs) that he has personally witnessed and photographed from around the world. These photos show humanity's history is far older and mysterious than anything acknowledged by the mainstream archeological community.

Empowered Healing: Demonstrations & Practices

By Dennis Adams (90 mins - \$20)

Dennis Adams presents a humorous and wisdom packed account of his own life journey based on eight years living in the wilderness before beginning to share his phenomenal insights into life and healing to the world. Dennis is highly sought after healer around the world who only recently decided to again begin public appearances.

The Role of Celestials in guiding humanity with extraterrestrial contact

By Dr Michael E. Salla (90 mins - \$20)

Dr Salla presents his research into the 'celestials' - beings that use the power of consciousness alone for space-time travel. He reveals how celestials have historically helped humanity deal with the challenges posed by extraterrestrial technologies that have been in the past used in destructive ways. He explains how extraterrestrials are today helping unravel the power elite's control system established to prevent humanity knowing the truth about extraterrestrial life, and the extent advanced technologies have been secretly developed.

Speaker Panel Discussion: Q & A

With Dennis Adams, Haleaka, Thomas-Mellen Benedict, Carla Rueckert, Alex Collier, Prof Stefano Breccia, Klaus Dona, Dr Michael Salla, Billie Dean & Suzanne Taylor (90 mins - \$20)

The **Panel Discussion** features a selection of speakers & film directors responding to audience questions concerning healing, advanced technologies, life after death, 2012, extraterrestrial life and much much more.
